While travelling in China, an AIG customer suffered from acute appendicitis and had to undergo emergency surgery at the local hospital. After 3 weeks of close monitoring and recuperation, she was accompanied home by an AIG non-medical escort. Luckily for her, all medical and repatriation costs were covered under her AIG Travel Insurance policy.

Let us take care of you on your trip just as we took care of her.

An AIG customer was golfing in Laos and was accidentally knocked over by a buggy. He sustained severe injuries and wounds, and had to be admitted to a hospital in Thailand. Upon discharge, he was repatriated home to Malaysia with an escort nurse and special flight arrangements, both of which were fully covered by his travel policy under AIG.

Let us take care of you on your trip just as we took care of him.

While in China, an AIG customer suffered from a head injury, and was even diagnosed with gastrointestinal haemorrhage. After his treatment in China, we brought him home with special flight arrangements and a physician escort, all of which were taken care of by his AIG travel policy. Let us take care of you on your trip just as we took care of him.

An AIG customer injured her hip while travelling in U.K and had to undergo surgery there. Thanks to her travel policy, she returned home safely, escorted by our AIG nurse. Even better, the costs of her surgery and repatriation were covered. Let us take care of you on your trip just as we took care of her.
